No Child Left Behind

Dear Parents and Community Members,

I hope that everyone has enjoyed their start to the term. As I move around classes I see lots of people getting on with the day to day job of teaching and learning.

BUSHFIRE TRAGEDY

Like all Australians our community has been shocked and saddened by the ongoing tragedy of the Victoria and NSW bushfires. It is a time when our hearts and thoughts go out to those in these areas. We have had several people including staff, students and parents who have talked about raising money to support all those who have been affected. We have a collection point at our front office so donations can be made there and we will have a **Boardies and T Shirt** day this Friday, 13th February for a gold coin donation. All money raised will be given to a local bank which is collecting on behalf of the Red Cross for immediate relief of victims.

WELCOME MRS COOK

I would like to officially welcome Mrs Natalie Cook to the position of Inclusivity Coordinator for Collie Primary Schools. This change of role means that Mrs Cook will be working with all local schools to make sure that students with special needs receive appropriate curriculum and support. I would also like to thank Mrs

Cook for the excellent contribution she made to Amaroo Primary School as a classroom teacher.

TERRIFIC START CONTINUES

As I move around to classes I find lots of students hard at work and putting in their best efforts. This is something that Amaroo is known for and it is something which we are all proud of. It is also great to get out into the playground and see people are there doing the right thing, because they choose to. As a school we have to make it the kind of place we want to come to each day and this is done by everyone. The years has started very positively, I look forward to seeing what we can achieve.

DROPPING OFF AND PICKING UP OF YOUR CHILDREN

In the interests of everyone's safety when picking up or dropping off children at Amaroo, please:-

- Do not double park or park on the verge.
- Keep the bus zone on Magnussen Street clear at all times.
- Do not drop off or pick up your children by stopping in the lane way or staff carpark.

Hitting a child with any vehicle is very traumatic for both the child and the driver. Please consider everyone's well being.

DEPUTY NEWS

Welcome back! It's lovely to see so many familiar faces and to have met so many new people, I am doing my best to remember all the new names!

Just a reminder that if you have any concerns/questions regarding your child/ren, then please feel free to come and chat with me on the Quadrangle before school or make an appointment at the office and I will endeavour to help as best I can.

The students have started the new school year positively and it's good to see how many students remember their hats each day. They are very aware that 'No Hat means No Play!'.

VIRTUES PROJECT

The Virtues Project has been slightly revamped this year. It has been decided

that ten key virtues will be taught over the course of the year.

GETTING ALONG	ORGANISATION	PERSISTENCE	CONFIDENCE
COURTESY	SELF -DISCIPLINE	PERSISTENCE	CONFIDENCE
HONESTY	RESPONSIBILITY	EXCELLENCE	COURAGE As part of Resilience
CO-OPERATION			
RESPECT			

Over the course of the year, a Virtue of the Month will be highlighted through students work featured in this newsletter and on the board outside the office.

This month's Virtue is Confidence. Look out for your child/ren's contribution to the next newsletter!

YOU CAN DO IT

The students in Years 1-3 are continuing to explore the You Can Do It Program this year. This term they are also looking at Confidence. Some of the catch phrases being taught are; **I can do it! No idea is too silly to say, This is hard, but I'm going to have a go!**

SCHOOL CHAPLAIN

Here at Amaroo, students and staff alike are very fortunate to be able to access the counselling support of Robyn Gillies, our School Chaplain. Robyn is at Amaroo every Monday, Wednesday and Friday.

Numerous students, across the school, access Robyn for a variety of reasons.

Students can refer themselves by writing their name in Robyn's book or on occasions teachers make the referral. In the case of teacher referrals, a courtesy call is usually made to parents, but on occasion teachers may have cause to just ask Robyn to speak with a particular child.

If you do not wish your child/ren to speak with Robyn, then please contact the office to notify us. In addition, if you would like your child's teacher to contact you before referring to Robyn, please let the office know this as well.

Robyn is also available to speak with parents. If you would like to access this service, please contact the office or call Mrs Sarah Dunbar-Stuart who can organise this for you.

LOST PROPERTY

Any lost property will be put onto the stage after Thursday's assembly. This will occur once a month. Please have a look if your child/ren has mislaid anything. Last year, a number of items of clothing were unclaimed and had no names written on them. If you haven't already done so, please try to label your child/ren's clothing to make identification and return easier.

YEAR 7 IMMUNISATIONS

These will take place on the morning of Tuesday, 3rd March 2009. Please ensure you return your child/ren's completed paperwork to the office or Steve Homer, before this date.

I hope you have a wonderful week.
